

2nd International Workshop on Connectomics in NeuroImaging (CNI 2018)

Submit a full length paper by June 25th!

Besides traveling to Granada Spain, why submit a paper?

- Proceedings will be published in Springer Lecture Notes in Computer Science (**LNCS**)
- Best Paper Award sponsored by INCF
- Best Poster Award sponsored by the College of Charleston
- Accepted papers are invited to submit to a special issue in the Brain Connectivity journal
- Three great keynote speakers:

Prof Gustavo Deco, Dr. Martijn van den Heuvel and Dr. Dafnis Batalle

We accept all things Connectomics!

- Innovative construction, validation and data fusion across imaging modalities;
- Development of new analysis techniques and identification of new biomarkers;
- Machine-learning methods for data mining and analysis;
- Longitudinal data analysis (e.g. brain development and aging studies);
- Computer assisted diagnosis systems and high performance computational techniques.
